Tennis Court Lights at Terra Nova High School

FOR IMMEDIATE RELEASE (PACIFICA, CA)- At the end of December 2021, the City of Pacifica Public Works team hired SacTown Contractors Corp. through a competitive bid process to install new energy-efficient, LED light fixtures at the Terra Nova High School Tennis Courts. The Jefferson Union High School District operates the courts and the City of Pacifica maintains the lights through a Memorandum of Understanding (MOU). These courts are not only used by the high school, but also the Pacifica Tennis Club and the community at large. Since there are no other lighted public tennis courts in Pacifica, residents can use these courts to play tennis. Especially during the winter months, the installation of the new lights allows for groups to have extended play or practice time. The courts are open to the public from 5:00 p.m. to 9:00 p.m. Monday through Friday, during the school year and 8:00 a.m. through 9:00 p.m. on Saturdays, Sundays, school vacation periods and holidays. Courts are not available to the public during High School programs.

Should you have any questions or concerns, you can contact the Department of Public Works-Engineering Division at (650) 738-3767, or email engineering@ci.pacificaca.us. Contact the Department of Parks, Beaches, and Recreation at (650) 738-7378 for more information on use of the tennis courts.
