PRESS RELEASE

January 4, 2024

Pacifica Municipal Pier Closure

FOR IMMEDIATE RELEASE (Pacifica, CA) – The Pacifica Pier will be closed for 3 weeks from January 5th, 2024, to January 26th, 2024.

On December 28, 2023, a combination of high tides and large waves damaged sections of the Pacifica Municipal Pier's west-facing deck and concrete railing. The City's Public Works Engineering Division and a structural engineering consultant assessed the damage and determined the Pier is unsafe for users and visitors until a structural assessment can be performed.

An expedited structural assessment of the Pier, development of the analysis, staff review, and finalization of the assessment is expected to be completed by January 25, 2024. Following the assessment, the City will determine if the Pier can be reopened.

Should you have any questions or concerns, you can contact the Department of Public Works Engineering Division at (650) 738-3767 or email engineering@pacifica.gov. Thank you for your cooperation, and your patience while the City works diligently to ensure the Pier is safe and can continue to be an important public amenity.
