Subject: Peace resolution

Council members,

I am a life long Pacifica resident, tax payer, and voter. I am against this resolution and find it to be beyond the scope of the City Council. We have plenty of local problems that you were elected to address. Residents of the city are dealing with sky rocketing homeowners insurance, we are in danger of not being able to hold the Fog Fest, and our local beach was just declared one of the most polluted in the area. We should leave foreign politics to our federal officials and focus on our city.

I do not support this resolution and feel it was a waste of staff time to put it on the agenda

Respectfully,

Andrea Dion
