**[CAUTION: External Email]**

I am writing to encourage you to adopt the proposed resolution supporting AB 15, which would modify and extend the existing limitations on evictions due to the COVID-19 emergency.

This emergency still exists. Many tenants have fallen behind on rents due to COVID 19, and evictions will only add to the disorder created by the pandemic. Stabilizing tenancy is important to the economic recovery of our city and our state. It is important that we have a statewide policy so that all landlords and tenants are operating under the same laws.

Thank you

During this time of untold suffering from the Covid 19 pandemic, it is incumbent on all of you to pass a resolution in support of AB15. AB15 will continue the statewide moratorium on evictions. This makes sense from a humanitarian standpoint as well as public health point of view. Increasing homelessness will exacerbate this deadly pandemic. Support AB 15 now!
