Dear Council Members,

We want to strongly endorse the Seawall Study that says the Seawall replacement is the best and most cost effective alternative to removing it altogether.

Thank you all for listening,

Respectfully,

Andy and Kerry Patterson

Dear Council.

I would like to request that the Pacifica City Council issue a Pride Month Proclamation again this year and that the city raise the LGBTQ+ Rainbow Flag by the Pacifica Pier during the month of June. The Council issued a Proclamation last year which was awesome. Issuing a proclamation and raising the flag would demonstrate to LGBTQ+ residents that they are seen and that they belong.

Far too many LGBTQ+ youth and adults are shamed by society and our city demonstrating support can reverberate good far beyond our borders!

Thank you for this inclusive gesture.

Salutations Honorable Representatives,

I tried to watch the Council meeting on TV and was totally shut down. I am extremely hard of hearing. The audio is poor, there are no captions. No one has name tags; I cannot identify the speaker. The faces are not always visible; making even my poor lip reading skills impossible. Council meetings pre pandemic were also challenging. Though assistive listening devices are posted, no one knew where they were or if they worked. Please do what you can for the hearing impaired community and realize that ADA mandates inclusion. Thank you,

Kate Szentkuti
