Subject: Budget

[CAUTION: External Email]

Instead of increasing taxes, I think that the Council should look at NOT giving themselves a raise and I am sure there are other top heavy managers who do NOT need raises plus expenditure accounts and city cars that we Pacificans are paying for.

Is anyone auditing the accounts and car usages of the city employees who take the car home and use it for personal trips.

I am sure that there are many other areas where we can save money. This is just one place to start.
